MANIFESTO

Plata Network – ESDT and Racing themed NFTs on Elrond – all the Official Links available [HERE](#)
< <https://linktr.ee/plataNetwork> >

\$PLATA is an ESDT – Elrond Standard Digital Token – built on the Elrond blockchain, a high performance public blockchain, which is extremely secure, efficient, scalable, and interoperable. Powered by the revolutionary technology brought to the world by the Romanian team, \$PLATA is as fast, secure and scalable as the native \$eGLD coin itself. The official blockchain information can be found [HERE](#) < <https://bit.ly/31UeDic> >

\$PLATA can be Staked to earn rewards in \$PLATA. The promotional 29% APR Staking pool was deployed, and filled, on < <https://getplata.network> >, where you have available another Staking limited Staking pool with 22% stable APR. A standard no limit Stake pool for \$PLATA has been deployed on < <https://stake.plata.network> >. Don't just HODL it, let it work for you

\$PLATA is listed on Maiar Exchange, where it can be freely traded.

To import the \$PLATA/\$eGLD pair pool, go to settings once logged into Maiar Exchange < <https://maiar.exchange> > and please use only the \$PLATA Token Identifier: **PLATA-9ba6c3**

\$PLATA can be used to buy NFTs with, check the available ones < <https://getplata.network> >

Our NFTs are and will be published exclusively on the Elrond blockchain. Racing is our theme of choice, and the first releases from the Driver, Legends, and Racing Collections, V8 and also from the collaborations with other projects/artists, are available on the marketplaces

NFTs can be Staked [HERE](#) < <https://getplata.network> > to earn you daily passive income

The complete detailed information about the NFTs published by us, including the number of editions released for each NFT, or the official Tickers of the NFTs, that will be eligible to be used in the future Plata World, such as, to determine you Plata Power, etc, can be found [HERE](#)
